# INTRODUCTION

تكنوسٲيل لِّلإنشاءات ذ. م. م.

TECHNOSTEEL CONSTRUCTION L.L.C.

**Technosteel Construction L.L.C** (“TSC”) is one of the most experienced and reliable contracting firms in the UAE

**Technosteel Construction L.L.C** was established in 1992 and within 31 years of unparalleled craftsmanship, the company has established the reputation of being most versatile and able to work on different levels of complexity across the heights of exceptional structures.

**Technosteel Construction L.L.C** in its aim to take active leadership in construction industry, it diversified its arsenal thru the emergence of its Aluminum Division as specialized division that caters the works for entire aluminum related projects such as **Glazing Facades, Curtain Walling Systems, Aluminum Composite Panel Cladding, Aluminum Doors & Windows, Stainless Steel Railings** among others.

# SERVICES

An embedded legacy & enriched history of quality and professional excellence guarantees satisfaction from the services of qualified & experience Managers, Engineers, Administration Staff and Skilled Workers. TSC is capable of delivering the highest quality products to its clients within the time frame demanded. Equipped with the most modern fabrication facilities and extensive machine shops, capable of handling in-house any complicated structure & specifications to consistently exceed client's expectation.

Throughout decades of operations TSC has gained the trust and confidence of both Public and Private Organizations and has been approved & recommended to work both as Civil & Steel Contractor by Emarat Petroleum, Dubai Health Authority, Dubai Aluminum Company, Dubai Municipality, Ministry of Public Works & Housing, Dubai Electricity and Water Authority, Dubai South, KI-ZAD, Dubai Police, Free Zone, Abu Dhabi Airports Company, Jebel Ali Free Zone and most of the Local & International Consulting Engineers in U.A.E.

# PRODUCTS

Known from its top-notch projects in both Steel & Concrete contracting, TSC offers broad-range of project solutions to bring quality into life.

# QHSE POLICY

تكنوستيل للإنشاءات ذ. م.

TECHNOSTEEL CONSTRUCTION L.L.C.

## HEALTH, SAFETY & ENVIRONMENT POLICY

We, at TECHNO STEEL CONSTRUCTION L.L.C., are seriously committed towards strict implementation and continual improvement of Health Safety and Environment Procedures within our organization.

We substantiate our belief that **"SAFETY is as important as Quality and Output"**.

- We establish, maintain, and implement HSE Management System and Procedures which comply with applicable Legal Requirements, relevant HSE Standards and other Statutory Requirements to which the organization subscribes.
- We ensure our services meet or exceed Clients' requirements and expectations while complying with agreed schedules and in adherence to HSE Management System and Procedures.
- We set and periodically review HSE Objectives, Policy, Management Programs, and Procedures to ensure suitability, adequacy and effectiveness of HSE Management System.
- We ensure safety and welfare of our employees by ensuring that everybody is aware of their individual HSE obligations.
- We strive to prevent any incident, occupational illness or exposures which could cause harm to people or damage to properties by identifying hazards and their related risks; and by establishing Risk Assessment and Emergency Plans to reduce adverse effects.
- We set HSE as part of our responsibility and accountability.
- We strive to achieve continual improvement of our HSE Management System and related performance that also embrace benefit of external parties.

Top Management is dedicated in promoting, implementing and communicating HSE Policy in order to achieve organization's ultimate goal of: "ZERO INCIDENT".

All required resources and training will be identified and provided to ensure continual improvement of HSE Performance.
